

Friendship & Fellowship

Frinton & Walton District Men's Probus Club

Forty Year's on and the Friendship & Fellowship is still going strong!

Our club celebrated its 40th Anniversary on the 4 February 2020. This very special occasion was marked with a luncheon attended by 100 Members and their wives or partners. Our guest of honour was Chris Opperman who entertained us with a fine after-dinner speech and good humour.

The Club was originally formed in 1980 and is one of 2,300 clubs from across the UK. We still have a strong local presence, attracting its membership of mainly retired and semi - retired men from the Tendring area.

We have a wide range of professions, business careers and life experiences amongst our Members. It is this mixture of individuals that makes our Club so interesting. We meet monthly at The Frinton Golf Club, which includes a guest speaker to give talks on a wide range of subjects, a social gathering in the bar area followed by a lunch.

In addition to our monthly meetings we also have a range of sporting and other social activities throughout the year. This also includes a week's holiday in the Spring which many of our Members, Wives and Partners enjoy.

The club has a very strong and active committee who work to ensure the clubs success, events programme and continuity. This has been complemented through regular Recruitment Coffee Mornings and personal introduction from our existing Membership, as we feel that our Probus Club provides a very important Social function for the local community and is a very welcoming organisation to Guests and new Members.

More information about the club can be found on our website or you can contact the Secretary on the following email address or telephone number: -
